

## Your Trusted Partner in IT & Site Security Solutions

### Why Choose ANM?

#### 30 Years of IT Excellence

With three decades of experience, ANM has consistently delivered top-tier IT projects across the United States. Our extensive portfolio spans various industries, ensuring that we can handle the complexities of your IT needs with precision and expertise.

#### Leaders in Site Security

For over 15 years, we've specialized in physical site security and special systems. Our team is adept at securing your most valuable assets, utilizing cutting-edge technology and custom solutions tailored to your specific requirements.

#### Innovative Security Solutions

ANM offers state-of-the-art custom solar, battery and cellular site security solutions, including designs requiring generator backup power. We have extensive experience with large-scale deployments servicing locations throughout the entire United States. ANM understands the critical importance of reliability and autonomy in site security, and our custom solutions are designed to provide uninterrupted service, even in remote locations.

#### Verkada Platinum Partner & Premier Installer

We are proud to be a Verkada Platinum Partner, signifying our commitment to delivering the best in security technology. As a Premier Level Installer, ANM ensures that your Verkada systems are implemented with the highest level of expertise, providing you with robust and scalable security solutions.

#### Just-In-Time Warehousing, Staging, and Shipping

ANM's Just-In-Time warehousing solutions offer flexibility and efficiency, ensuring that your products are stored, staged, and shipped exactly when you need them. This service minimizes overhead costs and maximizes operational efficiency, giving you peace of mind that your logistics are in capable hands.

#### Custom Support Solutions

We understand that every client has unique needs. That's why ANM offers custom support solutions tailored to your specific requirements. Whether you need ongoing technical support, maintenance services, or specialized consulting, our team is ready to assist you in achieving your goals.

#### Partner with ANM Today

At ANM, our goal is simple: to provide you with reliable, high-quality IT and security solutions that drive your success. With our deep industry experience, innovative solutions, and commitment to excellence, you can trust us to deliver the results you need.

Contact us today to learn how we can help you achieve your objectives.
